**विषय: Advisory regarding the updation of stock position of fly ash on the website of Thermal Power Station-reg.**

महोदय,

In the Pursuance of para 2(b)(8) of MoEF&CC amendment notification dated 25.01.2016, stating there in: "Every coal or lignite based Thermal Power plants (including captive and or co-generating stations) shall, within three months from the date of notification, upload on their website the details of stock of each type of ash available with them and thereafter shall update the stock position at least once a Month".

It is, therefore, requested to all the power utilities to instruct their thermal power stations to upload the stock position of the preceding month on their website by the 7<sup>th</sup> of every month in the prescribed format (Copy enclosed). The soft copy of the said format is already uploaded on CEA website (<http://www.cea.nic.in/index.html>), which may be downloaded by power utilities/thermal power stations for the needful action. Intimation of uploading the data on website may be given to CEA for further needful action in this matter.
